NORTHERN OHIO REGION PCA / MAY 2026

# RECARO

## NOTHING BEATS THE ORIGINAL

The RECARO Classic Line

We took the traditional design of classic-look seats and brought it up to date to create the RECARO Classic Pole Position (ABE). This Classic version of our road-legal RECARO Pole Position (ABE) racing shell, developed from the RECARO shell for the Porsche 964 RS, means you no longer have to choose between authentic appearance and modern safety standards. With its timeless shape and classic vintage covers, this seat will look at home in even the most sporty of vehicle interiors.

Only RECARO seats have been personally checked by Walter Röhrl and given his approval for their superb characteristics. Our Classic seats are no exception. They are recognizable by the special "Approved by Walter Röhrl" seal.

## Driving Season is Back!

Ok it looks like NEO has finally decided to let Salt Season end, time to get our cars out, get them ready for driving and drive them. My appointment for my annual oil change and whatever else a 6-year-old Porsche needs is made. By the time you all get to read this, the first Auto Cross event will have occurred. In May, we have a tech session scheduled, the HPDE will be held and there will be the car show with the Corvette Club. Remember to bring lawn chairs and brag boards to fit in. You can stay abreast of the club events on the NORPCA website and the Facebook page.

For those of you attending the Porsche Parade in June, I hope you had a better experience with the Phase II registration than I did. Working for the government for as many years as I did, I have seen things that were not well managed, but Parade Registration was pretty bad. I have expressed my disappointment and dissatisfaction to PCA national along with some suggestions for improvements in the future.

Thanks to all of you who interacted with the folks from the Alzheimer's Disease Research Center that were at the New Members Meeting!

As always, we are looking for volunteers! I would urge any of you who are interested to seriously consider volunteering to fill the upcoming vacancies on the Board. This is the last year of my term as president and I am not seeking reelection and I am pretty sure Jeannie Radcliffe is not planning to continue as secretary.

With that be safe and enjoy your vehicles,

Bill

## Editor's Note

### Time to Drive & A Search Begins!

It's May, finally. Time for us to get out and enjoy our cars and all the NOR events planned for the season. Speaking of events, take a peek at the calendar and you'll notice a few new ones compared to the last couple of years. Thanks to all the volunteers who make these events happen.

For those of you who may be keeping an eye out for a good "find" to add to your garage, we have just added 4 new Porsche cars to the Classifieds. The 4 cars are all different sports models as well. Who doesn't like a little variety?

Also in this month's newsletter, we have our first Member Car spotlight. We feature 4 cars from NOR members who correctly answered last month's trivia question in the Editor Letter. There was a good response to it so let's run it again. (Name 2 of the 3 new event "TYPES" we have in this month's calendar that we did not have last year). And since it's May that means Mother's Day and we give you a themed crossword puzzle.

Lastly, we are beginning a search for a new Voices editor. It's been great being the Voices editor for the last few years, since 2022, but it is time to for me to move on and allow someone else to take over. This could be your opportunity to let your creative side shine and improve our Voices newsletter! Anyone who is interested, or has questions, can contact me or the Board.

As always, please support our many advertisers, without them "Voices from the Trunk" may not be possible.

*Ben*

## NORPCA Meeting Minutes: April 7, 2026

### President Update – Bill Taylor

- **Charity Initiative** – Corvette vs Porsche Car Show proceeds will be donated to our charity: The Alzheimer's Research Group.
- **Holiday Party Planning:** A preliminary holiday party budget of approximately \$11,000 was presented.
  - Cost reflects high-end estimates for food and beverage; final costs are expected to be lower. Premium alcohol may be downgraded to reduce costs. Parking is included, reducing effective per-person cost compared to prior years.
  - As a nonprofit (501(c)(3)), the club will save on sales tax and receive a venue discount.
  - COI for holiday party venue is available through PCA Membership Services at no cost.
  - **Motion:** To approve the holiday party budget (~\$11,000) **Moved by:** Jeanie **Seconded:** Mark **Status:** Approved

### Treasurer Report – Lee Lorence

- Club finances are healthy.
- 501(c)(3) status reinstated; check on status of prior filings to be submitted.

### Governance – Mark Kroczyński

- **Name Tags:** Name badge mailing approved (~\$2 per badge).

### Advertising/Sponsorship – Mike Cannillo

- Stoddard: Recommitted to inside front cover ad (\$2,000). BBQ sponsor: \$500 commitment confirmed by Mike G.
- Risk Strategies: Full-page ad withdrawn due to no new business from ad.
- Maple Crest Farms: One-third page ad withdrawn.
- Perma-Tune: Lonnie gave a verbal commitment of \$3,000 for DE sponsorship. Lee will invoice Lonnie for \$3,000 for DE sponsorship and include a complimentary full-page ad.
- Ceramic Pro will host a Tech Session on August 22<sup>nd</sup> at 9am. Mike will send Bill the details and Bill will send an Eblast to members to advertise the event.

### Drivers Education (DE) – Lori Bryant

- NOR's May 1–3 event at Mid-Ohio, sponsored by Perma-Tune, event is full; waitlist continues to grow.
- Revenue expected to offset lack of a fall DE event.
- Additional volunteers needed.
- Fall DE: At this time, no fall date has been secured.

### **Autocross** – Alex Sterling

- Autocross School is scheduled for 5/31/26. Bill will send an Email blast to advertise autocross events.

### **Membership** – Chris Hammerschmidt

- **March 2026 NORPCA Membership:** 6 Total Primary Members: 887 Total Region Membership: 1,360.
- **New Member Meeting & Reception** – Event Recap: Porsche of Beachwood hosted the event in their showroom, with 233 members registered. Club information stations were available for new members to learn about programs and offerings. A representative from the Cleveland Alzheimer’s Disease Research Center, the 2026 charitable partner, attended to introduce the organization and its mission. Special thanks to Brad Kennett and Porsche of Beachwood for hosting and all volunteers who assisted with setup and breakdown.

### **Rally** – Chris Lester

- **Rally details:** Date: June 7, 2026 \*Theme: “Secret Agent” \*Cap: 40 cars \*Fee: \$25 per car. No permits required, minimal expenses. Ending location confirmed.

### **Driving Tour Proposal** – Russ

- Russ proposed a factory tour of Professional Detailing Products (PDP) located in Canton. Tour would include a group drive and facility walk-through. Clarified that it would be considered a tour, not a tech session. Bill noted that the NORPCA insurance coverage applies during driving portion only. Target dates considered: Late May or early June. Russ will finalize details with PDP and report back facility visit.

Motion to Adjourn: Bill Taylor; 7:48PM  
Submitted by: Jeanie Radcliffe

## BLOCK A CHIP

**Tech Session**  
**May 16, 2026**  
**10am-12pm**

Block-A-Chip is hosting a tech session for NOR members.

This is an opportunity to learn a little about best practices for Porsche appearance, upkeep, and more.

There will be light snacks offered with coffee / beverages.

**FUN** Bonus offering: Block-A-Chip's sister company "Studio Machina" will have a professional-grade racing simulator open for members to use! FYI, there are many Porsches to choose from for racing.

**MONEY** Saving offer: Bloc-A-Chip will have special offers exclusively for club members who wish to pursue paint protection, restoration or preservation projects...more to come!

The event will be held at Block-A-Chip  
**8666 Tyler Blvd. Suite 4, Mentor OH 44060**

## The 2026 NORPCA Autocross Event Registrations are now OPEN!

These events are for seasoned veterans AND for those who have never Autocrossed before. Autocross is a great way find new driving skills and discover what your car can do in a safe and relaxed environment. We will have instructors available at all of our events for ride-alongs and tips for better performance. If your car is in good roadworthy shape, then it should be good for these events.

We have five events scheduled for this year. We have secured the lot at Classic Park in Eastlake for these exciting driving events. The general time schedule for events is from 10:00 AM to about 3 PM, dependent on number of entrants.

Our Autocross School is scheduled for May 31st. The school will be a great way to get introduced to what Autocross is all about.

Registration for all five events are now **open and live** on [clubregistrtrtion.net](https://clubregistration.net). Dates and links for registration are also listed on our website at NORPCA.org.

## **NORPCA is hosting a rally!**

On Sunday, June 7th at 9:00am

We have a mission should you choose to accept it - here are the details

NORPCA Secret Agent Mission

Coffee and donuts at 8:00am

Rally starts at 9:00am (first car off)

Starting point:

Shelterhouse Picnic Area

Hawthorn Pkwy, Bentleyville, OH 44022

Your mission, should you choose to accept it, is to gather intelligence and codes necessary to help retrieve a stolen device.

Highly recommended to bring a soft clipboard or magazine to use to write on, and a writing utensil.

If your car is not equipped with a compass, you might want to bring one, or rely on your innate sense of direction.

Once you arrive you will receive further instructions.

registration link:

# Stuttgart Market Letter

February set a strong tone for the year, with 522 cars sold for \$47.9m, marking a 13% increase in unit volume and a 31% jump in dollar volume year over year, all while holding a healthy 75% sell-through rate. March continued that trend. With the same 75% sell-through rate, the market expanded as 687 Porsches crossed the block for a total of \$78.1m, representing a 12% increase in units and a 36% surge in dollar volume compared to last March. Perhaps more telling is the step up from February to March this year, with unit volume increasing by 165 cars and dollar volume jumping over \$30m, signaling strong momentum as we head deeper into the spring market.

Last month we discussed Florida Car Week, which spanned the end of February and the beginning of March, with record after record set at the very top of the market. While the remainder of March didn't quite reach those same heights, the top end remained strong. Singer's Classic Study 911s are now firmly back above the \$1m mark, with the "Fillmore" commission, a gorgeous example finished in Pure Gunmetal over Turmeric, hammering at \$1,275,000. We also saw another twelve-month online high for the 991.2 GT2 RS, as a Paint-to-Sample Cobalt Blue Metallic example with just 571 miles sold for \$660,000. 911 S/Ts, on the other hand, appeared to soften slightly, with both examples to cross the block trading below the \$648,000 floor we had seen over the prior twelve months.

PHOTO CREDIT BRING A TRAILER

As you know, I've been keeping a close eye on the Boxster and Cayman market as Porsche has sunset the 718, with any potential ICE replacement still a few years out, if it comes at all. The Boxster GTS 4.0 market took a clear step up this month with back-to-back twelve-month highs. A 1,500-mile example sold for \$109,000, followed shortly after by a 271-mile car bringing \$112,000 after failing to sell at that same number back in February. The rest of the mid-engined lineup appeared largely flat, including the Cayman GT4 RS, which has been trending downward for some time. That said, we did see one standout, a Paint-to-Sample Black Olive example with 2,400 miles and all the right options, which became the first online auction result to exceed \$200,000 since September of last year.

David K Whitlock

One standout worth calling out from the broader Boxster market was a 2008 Boxster S Limited Edition 6-Speed, finished in Orange over Black leather and Alcantara, showing 14,000 miles. One of just 250 units produced, this was a well-kept example with recent service and strong presentation. Coming into the sale, twelve-month comps averaged \$44,400, with a prior high of \$48,000 for an 1,800-mile car, albeit in Alaska. Despite having more miles, this one reset the market, selling at a final bid of \$49,999. A strong result, and one that suggests there's still upside in the right limited-run Boxster's when they check the right boxes.

Looking at the air-cooled market, we saw a surprising number of 993 Carrera S examples cross the block. Seven in total, with all but one finding new homes, averaging \$242,600, and all but one clearing the \$200,000 mark. Leading the way was a 15,000-mile 1998 example finished in Arctic Silver Metallic over Black leather. An excellent car throughout, it set a new twelve-month high at a final bid of \$275,000 after failing to sell in February at \$242,000. Another standout came from a 1989 911 Carrera Coupe 25th Anniversary Edition, formerly owned by Jerry Seinfeld. Showing just 11,000 miles, it was the lowest mileage example we've seen by a wide margin and presented accordingly, hammering at a final bid of \$172,000.

With strong results across multiple segments and momentum building through the first quarter, all eyes now turn to April. Headlining the month is Broad Arrow Auctions' Air|Water all-Porsche sale, which has quickly become one of the more anticipated single-marque events on the calendar. If the first three months of the year are any indication, expect more of the same, strong results, competitive bidding, and a market that continues to show depth across both modern and vintage offerings.
