From the President

Bill Taylor

Finally, we have made it to June! Hopefully some nice weather will arrive and stick around! As I write this just ahead of the Memorial Day weekend, I am preparing to celebrate my grandson's graduation from high school.

May has served as a good kickoff to this season for the club. The DE took place in the rain/sleet/snow at Mid-Ohio. I froze my butt off as a volunteer. Thanks again to Lori and Bob and all the volunteers, sponsors, and drivers who stuck it out. At least the Sun came out on Sunday. We had the first tech session of the year at Block a Chip. Thanks to Kerri, we had a pop-up Cars and Lobstah event with the Naughty Lobstah at Wrecking Crew Brewery in Medina. It was a beautiful Sunday afternoon to get out for a drive. May closed out with the second autocross event of the year and the Porsche versus Corvette car show.

June is promising to be equally busy. The Secret Agent Rally is on June 7. I have heard rumors, hopefully confirmed by the time you read this of a Le Mans watch party. Hmm, I may have to fire up my smoker and bring some pulled pork. I know there are several of you heading for Parade. There will be an autocross event too. As always, stay tuned to the Facebook page for the announcement of pop-up events, like instant coffees. When I am not busy with fun Porsche things, I will be watching World Cup games. Maybe I'll host a pop-up watch party. I do need to think about what clubs I will be rooting for besides the USA.

On the club business side, volunteers/candidates are needed. Reach out to me if you have any interest in volunteering. I will happily answer any questions you may have. The lifeblood of the club is folks willing to volunteer their time to support it.

Ok, Greyman needs a good clean up and to be driven. See you all out there over the coming weeks and months.

Bill

DEADLINE for articles and ads is before the 15th of the prior month.

For example, to publish in August's edition of the VOICE, please have the article to the
Editor by July 15th.

Please send to noreditor@pobox.com

In his May Voices editor's letter Ben Driss announced his plans leave the job at the end of this year. This gives the NOR board members ample time to find his replacement. Ben followed me as editor, a position I held for 12 years. Presently I continue to proofread the newsletter each month before Ben sends it the NOR website and to the printer in even numbered months.

We use an Adobe desktop publishing program called InDesign. It is a powerful but relatively easy to learn tool to place text and photos into the Voices format. Ben mastered its use within a short learning period. I like using ID to create my own file each month because it keeps my 87 year old brain working properly.

If you have an interest in stepping up to replace Ben, I strongly urge you to come forward and volunteer your time.

On a personal note, I am now Porscheless after more than sixty years of ownership. I have sold the 993 to a NOR couple who plan on placing it on the concours field at the Lake Placid Parade in June. When the car was brand new I did the same thing at the 1994 Parade. It was the only 993 on the field. I was presented with a class winning trophy by some guy whose last name was Porsche; I think it was Hans Peter.

I have consigned the 356SC and the 914/6 to a well known local Porsche broker. I hope he finds new owners who appreciate and maintain them like I did. I've owned the 356 since 1974 and bought the 914 new from Chuck Stoddard in 1970. Maybe one of you will be keeping the faith alive.

NORPCA Monthly Update: April/May 2026

President Update – Bill Taylor

- **Charity Initiative** – Corvette vs Porsche Car Show proceeds will be donated to our charity: The Alzheimer's Research Group.

Treasurer Report – Lee Lorence

- Lee met with PNC Bank to review the status of our account. PNC confirmed that our standing with both the State and the IRS is current. They also offered to set us up with online and on-site credit card processing. Our 501(c)(3) status has been reinstated; Lee will work with Greg to confirm the status of prior filings and finalize the remaining steps.
- Year-to-date, we have invoiced \$11,000 for advertising in Voices, compared to \$6,500 last year. Mike Cannillo has been instrumental in achieving this increase.
- Lee is working with Jeff Firestone of McManaman & Co. to begin submitting our older tax returns to the IRS.
- The Audit Committee will review the 2025 records on 5/11/2026.

Governance – Mark Kroczyński

- **No Update**

Advertising/Sponsorship-Mike Cannillo

- Ceramic Pro will host a Tech Session on August 22nd at 9am. Mike will send Bill the details and Bill will send an Eblast to members to advertise the event.
- **Drivers Education (DE)** – Lori Bryant
- NORPCA's May 1–3 event at Mid-Ohio, sponsored by Perma-Tune, was a tremendous success! Thank you to everyone who helped make the weekend such a great experience.

NORPCA is hosting a rally!

On Sunday, June 7th at 9:00am

We have a mission should you choose to accept it - here are the details

NORPCA Secret Agent Mission

Coffee and donuts at 8:00am

Rally starts at 9:00am (first car off)

Starting point:

Shelterhouse Picnic Area

Hawthorn Pkwy, Bentleyville, OH 44022

Your mission, should you choose to accept it, is to gather intelligence and codes necessary to help retrieve a stolen device.

Highly recommended to bring a soft clipboard or magazine to use to write on, and a writing utensil.

If your car is not equipped with a compass, you might want to bring one, or rely on your innate sense of direction.

Once you arrive you will receive further instructions.

registration link:

<https://clubregistration.net/events/signUp.cfm/event/17091>

You must be a rally team and have a Navigator/Co-driver to participate - absolutely no exceptions.

Volunteers needed.

To volunteer, contact Chris Lester at chris.norpcarally@gmail.com

The 2026 NORPCA Autocross Event Registrations are now OPEN!

These events are for seasoned veterans AND for those who have never Autocrossed before. Autocross is a great way find new driving skills and discover what your car can do in a safe and relaxed environment.

We will have instructors available at all of our events for ride-alongs and tips for better performance. If your car is in good roadworthy shape, then it should be good for these events.

We have five events scheduled for this year. We have secured the lot at Classic Park in Eastlake for these exciting driving events. The general time schedule for events is from 10:00 AM to about 3 PM, dependent on number of entrants.

Our Autocross School is scheduled for May 31st. The school will be a great way to get introduced to what Autocross is all about.

Registration for all five events are now **open and live** on [clubregistrtion.net](https://clubregistration.net).

Dates and links for registration are also listed on our website at NORPCA.org.

May Mid-Ohio DE Review

Lori Bryant

The Farmer's Almanac and maybe common wisdom say that April weather can be either the lion or the lamb but drivers at this year's May Mid-Ohio Sports Car Course experienced some of the same variety of weather as April can deliver.

We had wet, we had dry, we had snow, we had sun but the overriding element of the weekend was a lot of drivers got out of the Ohio winter doldrums and got to Mid Ohio!

There were drivers from many many states and our UCR friends from Ontario.

There was a full schedule of track time for all and classroom sessions in the (heated!) Tower.

We are appreciative of the following for their support for the event:

PermaTune, advanced air cooled ignition technology as our main sponsor.

Lonnie Lenarduzzi has been a tremendous support to many DEs and other NOR events over the years.

Don Stiles for hosting the overnight camping for the weekend. Don has very generously supported this element of the event for as long as I can remember.

Joe Novel of Novel Motorsports,

Jim McFarland of Porsche North Olmsted and NOR Safety Chair and Mike Garriga for performing safety inspections.

Tim and Sally Wadsworth brought their entire store so everyone could check out new helmets and all manner of driving apparel and safety gear.

Max Barkley was our event photographer and shot thousands of photographs of all the cars...his work is now available for purchase on his website

Brian Peterson did a fantastic job as always providing customized polo shirts for all entrants with our event sponsor PermaTune on the sleeve.

The event classroom instructors: Lou Brancae, Dan Bursick, Doug Colbary and Chris Stiffler. All the in-car instructors who work to keep everyone safe during the on-track sessions.

All the volunteers, especially Mark Kroczyński and Mike Rotolo.
Last but not least, Bob Bryant for keeping the show running on schedule and a million other things.

Thank you to all for a great start to our favorite Ohio season, driving season!

Stuttgart Market Letter

Four months in, and 2026's total dollar volume is already more than halfway to 2025's full-year total. March's strength carried right into April, giving us another record-setting month with 741 Porsches crossing the block, 76% of them selling, for a total of \$76,742,859. That compares to April 2025, when 664 cars crossed the block, also with a 76% sell-through rate, for a total of \$56,730,704. That makes two months in a row where dollar volume eclipsed the previous year by more than \$20m.

Leading the charge was a 2015 918 Spyder, the singular Paint to Sample Riviera Blue example with Weissach Package delivered to North America. Showing just 1,300 miles, it didn't quite top the Orange example sold at Mecum earlier this year, but its \$4,680,000 result firmly secured the number two spot for 918 Spyder sales over the last twelve months. Other heavy hitters at the top of the market came from the usual suspects at Singer Vehicle Design and RUF, but it was refreshing to see something from the golden era of Porsche motorsport crack the top ten. That honor went to a 1976 934 Race Car campaigned by Porsche-Kremer Racing in period, including a class win at the 1977 24 Hours of Le Mans. After several unsuccessful attempts to sell over the last few years, the historic racer finally changed hands at a final bid of \$1,000,000, which feels like a strong buy for such an important piece of Porsche racing history.

One model that has seen significant upside so far this year is the 911 Dakar. Throughout 2025, Dakars generally traded in the \$300,000-350,000 range, with only one example cresting the \$400,000 mark. April gave us two. The first was a 2,184-mile example finished in Paint-to-Sample Acid Green over a Black leather and Race-Tex interior featuring Shade Green stitching, matte carbon fiber trim, Racing Yellow seatbelts, and aftermarket Pascha seat inserts. It sold at a final bid of \$405,000. The second was another Paint-to-Sample car, this time finished in Stone Gray with "Rallye 1971" decals and showing just 346 miles. That example hammered at an impressive \$460,000. Two new twelve-month highs for the model, back to back, in the same month.

Newer cars weren't the only ones setting records. One of the more surprising results of the month came from the transaxle market with a 1988 944 Turbo S Silver Rose. Originally intended as a limited-run model, the Silver Rose package paired the uprated 250-horsepower Turbo S drivetrain and M030 suspension package with exclusive Silver Rose Metallic paint and the now-iconic Burgundy Studio Plaid interior. While Porsche ultimately built more Turbo S models than originally planned, true Silver Rose examples remain highly sought after today. This particular car showed just 7,500 miles and presented in phenomenal condition throughout, helping it hammer at an impressive \$95,550. Just shy of the \$100,000 mark, the strongest public Silver Rose sales we've seen to date.

David K Whitlock

Another surprise from April was the appearance of the first 992.2 Carrera T Club Coupe at auction. Introduced for 2026 as a 70-unit celebration of the Porsche Club of America's 70th anniversary, the Club Coupe is based on the enthusiast-focused Carrera T and pairs a 388-horsepower twin-turbo flat-six with a 6-speed manual transmission. Finished exclusively in Sholar Blue Metallic with PCA-specific detailing throughout, it follows in the footsteps of previous PCA anniversary Club Coupes and immediately became one of the most desirable special-edition 992s. Showing just 21 delivery miles, this example represented the first real public opportunity at ownership for those who missed out on an allocation. And bidders responded accordingly, pushing the final price to an eye-opening \$346,500.

As usual, the 356 market was a bit of a mixed bag. Thirty cars crossed the block in April with only 50% finding new homes. Speedsters dominated the top end of the market, accounting for four of the top five sales and posting a respectable 67% sell-through rate. Leading the way was a Hoffman-delivered 1957 356A Speedster that topped every other 356A Speedster sold at auction this year, whether online or in person. Originally finished in Red before being repainted Black under previous ownership, the car paired its striking exterior with a beautiful Red leather interior and Beige square-weave carpets. Backed by a rebuilt numbers-matching engine, it sold at a final bid of \$491,000, comfortably eclipsing previous highs for the model.

My favorite 356 of the month, though, was a 1959 356A Convertible D finished in Auratium Green over Brown leather. Although refinished from its original Ruby Red during a 2021-2022 refurbishment and powered by a replacement 1.6-liter flat-four, the color combination looked fantastic. It ultimately sold at a final bid of \$225,000, slightly below the twelve-month average, likely due to limited documentation surrounding the refurbishment work.

**PHOTO CREDIT BRING A TRAILER**

Overall, April was another exceptionally strong month for the Porsche market with strength at both the very top and across several enthusiast-driven segments. From record-setting modern special editions to strong results for analog-era cars, the market showed little sign of slowing as we head deeper into 2026. Looking ahead to May, we have the usual steady stream of online auction action along with two sales from Bonhams and one from Mecum. It will be interesting to see if the market can keep this incredible run going into the summer months.

VOICES
FROM THE TRUNK

**15th Annual NORPCA BBQ Rib Burn-off
And People's Choice Car Show
August 15, 2026 4 pm - ?
Location: MIKE and SUE GARRIGA
8815 BRAMLEY DRIVE, INDEPENDENCE OH 44131**

**PLEASE YOUR RSVP IS REQUIRED NO LATER THAN July 31, 2026 via
Email: mikensuebbq@yahoo.com (preferred)
OR (TEXT ONLY PLEASE) Sue Cell 440-476-1006 OR Mike Cell 216-408-5652**

**IMPORTANT NOTE: We need to know a couple things
PLEASE RSVP and email answers to questions below:**

- 1. What your drink choices are (so that we will have plenty on hand):**

Beer, Wine, (Red or White), Soda (regular or diet) or Water.

- 2. We need to know what you are bringing to share (as noted BELOW)**

- 3. How many adults/children are attending.**

VOLUNTEERS ARE NEEDED (please and thank you):

SET-UP: Saturday after 10am

TEAR-DOWN: Sunday after 10am

TO BARTEND, COOK & SERVE French Fries & Corn-on-the-Cob

There will be a "People's Choice Car Show" with awards for the top 3 Porsches and 1 for the best "other" car.

Mark and Cam Taylor will be directing the cars on the front lawn for the Competition. Those cars entering the Competition may arrive any time after 2pm to enable them to prep their cars.

We encourage/invite you to bring their favorite meat to eat or share: BBQ Ribs (Pork or Beef), Chicken, Briskets, Pulled Pork or whatever you want to bring. If you make a good sauce, bring that too, just be sure to "label" if it's "HOT". We have 2 large charcoal grills to cook or warm your BBQ meat.

We encourage/invite everyone to bring your favorite:

appetizer, salad, side dish or dessert to share with the crowd.

Mike will be making a few slabs of his own famous ribs with plenty of BBQ sauce for everyone.

As in past years, we will have a big tent and plenty of tables and chairs for comfortable dining.

A special thank you to our sponsors: Novel Motorsports

TROPHIES

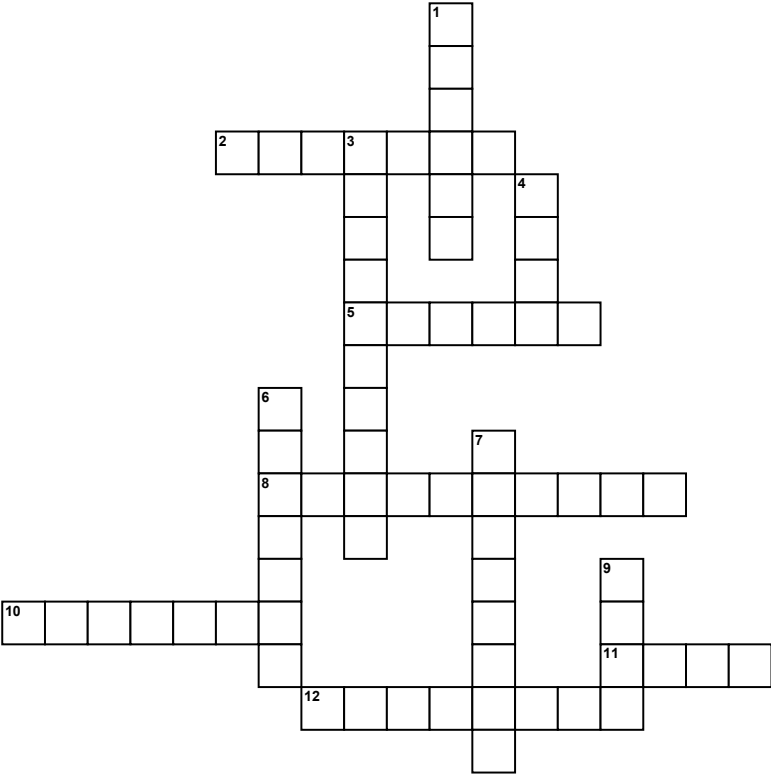

1964 Porsche 356C in Sky Blue. I found my car locally through "Across the Pond" restoration shop, who had completed a ground up restoration in 2017 for the second owner who sold the car to me. The original owner lives locally.

Despite my best efforts, I have only been able to put 1000 miles per year on the car. This is my second Porsche, my first was a 2018 991.2 (PDK) which I no longer own.

Summer Fun Activities

Across

- [2] sleeping out in a tent
- [5] place to grow flowers or vegetables
- [8] use buckets to build this at the beach
- [10] these can be filled with water and thrown
- [11] fly this on a windy day
- [12] leap over a long string/cord

Down

- [1] eating a meal on a blanket at the park
- [3] a place to swing and slide
- [4] go for a walk in the woods
- [6] using a pole with a hook that goes in the water
- [7] burning logs outside
- [9] something you ride that has two wheels
